# HSC DRAMA PRE SHOWCASE 2018

The Drama Studio  
St Joseph's College

7:00 pm  
Friday 22nd June

## WELCOME FROM THE HEAD OF DRAMA

Welcome to the Term 2 HSC Drama Pre Showcase. This performance is the major check in for the formative assessment of Individual Projects and summative assessment of Group Devised Projects. It is a wonderful celebration of the learning the boys have undertaken in HSC Drama and the tremendous opportunity afforded to the boys by the process of creating in collaboration.

It is a privilege, actually, to witness the learning in critical reflection, genuine communication, the affirmations and challenges of collaboration when the stakes are high, leading to the culmination of the creative process in the boys' performances.

Special thanks must go to the industry professionals who have been critiquing, facilitating and moving forward the action of this creative process since Term 4 2017: Laurence Coy, William Koutsoukis, Simon Gleeson, Alice Morgan, James Cummins and Christine Mackey. We all hope you enjoy the show!
