

The Headmaster, Dr Chris Hayes, along with the St Joseph's College Counselling Department, warmly invite Joeys parents, carers and Old Boys to a free parenting seminar.

Raising Resilient Young Minds

The seminar will cover practical ideas on how to better connect with your son and empower them to tackle a complex world.

Our special guest is international speaker and author Glen Gerreyn

Year 9 have had the pleasure of hearing Glen talk for the past two years about goal setting, attitude, making the most of opportunities, dealing with procrastination and strategies for reaching success.

Glen continues to offer audiences profound experiences of meaning and identity; shifting perceptions, challenging boundaries, and motivating positive change.
