

## Upcoming Performances at The Drama Studio, Term 3 2018

Drama is an art form that explores the world through enactment; it is an important means of understanding and communicating social and cultural values, interpreting the past, and challenging the present. Through our upcoming Drama events, we explore those values, traditions and ideas. We warmly invite all parents, students and friends of the College to enjoy that journey with our senior Drama students.

### *Hey True Blue*

The 2018 Senior Drama Production, *Hey True Blue*, is a Hills Hoist look at the backyard of Australian theatre from the past 60 years. Observe the intimate social documentaries created by some of Australia's pioneering male playwrights through a series of vignettes from classic Australian plays — a theatrical commentary on the roles, attitudes and place of men in Australian society.

### *HSC Drama Showcase*

The Showcase is the final checkpoint for the HSC students before their HSC examination performances. The students present two works on the night: the Group Devised Performance, a group work written, designed and performed by a small group of students; and the Individual Performance, a 6-8 minute individual monologue selected and developed by the student. It is the final opportunity at the College to celebrate their hard work, theatrical development and sheer joy in performing.
