

A handful of our boys were invited to St Michael's Catholic Primary School in Lane Cove yesterday for their Yr 2 Indigenous IncurSION Day. It was a fantastic celebration of culture and the boys were brilliant - as always - sharing two dances and then running 4x5minute workshops including story telling, the history and significance of the Didgeridoo and teaching elements of dance and the respect and significance behind them. The little ones absolutely loved it. A few photos attached!

We were well represented by our very own Zac Hart
