# Last minute information: Year 7, 2019

Below are a few important items. For full details please refer to previous emails or the [Year 7 Blog](#).

### *Early gear drop off*

If you would like to drop off gear early before the first day, the dorms will be open on **Sunday 1:00 pm-3:30 pm** and **Monday 12:00 pm – 1:45 pm**. This is optional, otherwise bring everything when your son first arrives.

### *Start of school*

**Boarding students:** due in the dorms on Monday night by 8:00 pm (dorms open from 5:30 pm).

**Day students:** due in the dorms on Tuesday morning at 8:00 am on Tuesday morning (can arrive from 7:45 am)

### *Hair and grooming*

The boys will have their school photo portrait taken on Tuesday morning so please ensure your son arrives well groomed on Tuesday morning.

### *Padlock Codes*

The boys will be provided with a padlock for their press in the dorms and one for their classroom locker. The padlocks allow you to set your own 4 digit number as the code. To make it easier, I recommend that your son uses the same code for both locks.

It would be helpful for your son to have in mind any **4 digit number** (eg 2 – 1 – 4 – 3) that he can easily remember to set as the code to both his padlocks. He shouldn't stress if he forgets – I have a key which can open the lock and find the code!

### *Leave - Boardingware*

I mentioned that we use software called Boardingware to manage any leave from the College. It should be ready for use early next week – I will send you information when it is ready.

### *Day student departure times*

Day student departure times can now be entered for the first week. I will send a separate email with instructions just to parents of day students.
