IMPORTANT DATES

The compulsory events at Joeys are a very important part of the development of both individual students as well as the school community, which is why all boys are expected to attend. In order to make it easier for you to plan your year, the compulsory events for Year 10 boys are listed below.

From time to time, other events or activities also arise which the boys are expected to attend. The dates of these events may not yet be finalised, however, in all cases, I will give you as much notification as I can.

You will notice that there are a few events that are during school time. I have added these to the list to ensure that no appointments etc are booked on these days.

There will be other excursions for subjects, however, these will be published on a term-by-term basis.

You can check the College Calendar through the Parent Portal to get the details of other functions and important dates such as P&F and Foundation functions.

Changes to the Calendar will be published on the online calendar.
